Deaf Humor of the Week:

The bathroom lock jams and you can't get out of the bathroom. If the whole family is deaf, you may have to wait a while before someone comes to look for you. When someone does, you will have to correspond via paper and pencil under the door, if at all.

The program is sponsored by the Indiana Historical Bureau and the Indiana State Museum. The Reach Program transports artifacts and artists to communities throughout Indiana. The exhibits help students explore Indiana's past using costumes, fabric design, glass, pottery, basketry, fossils and prehistoric artifacts, wood, paintings, and even gadgetry and early inventions. The REACH program will involve our students in grades 1-6. Staff, parents and guests are invited to an Open House on February 20th from 3 to 4 p.m.
